Hi Mudia - pleasure to e-meet you.

FYI that there is a lot of work occurring along century Blvd during the time you plan to do this including Metro closures and Caltrans freeway closures.

Have you coordinated the dates and times with the other agencies and made sure there is no overlap ? This work may impact others detour routes and we do not want to cause additional impacts. Airport is very busy during this time. Please advise.

Thank you,

Mudia,

Can you tell us a little more of what the work is?

Is there an advisory notice that goes out the properties in the area.

Good afternoon,

The West LA district will be working on a project located on Aviation approx. 200' north of Century Blvd.

We plan on starting this Project on Thursday August 4th and the duration of this project will be 2.5 weeks. The working hours will be Monday through Friday from 9:00 am to 3 pm.

I wanted to share the information with you so you may inform your businesses.
